By signing below, I acknowledge and agree that if I am a client of Rue Education any payment received by me as a referral reward may be received in the form of a credit to the outstanding balance of my account with the applicable finance company or a check may be issued to me directly at the company's sole discretion. I understand that I will receive the credit to my outstanding balance within five (5) business days after any person I refer signs up and makes their down payment to Rue Education. In addition, I understand that all referral rewards are contingent upon the client that I referred making their down payment and first two (2) monthly payments. If the client I refer does not make the required payments I acknowledge and agree that the applicable finance company will create an adjustment to my account reversing the referral reward credit. If it is determined that a check may be issued to me, I understand that the check will be issued within thirty (30) business days of the referred client having made the 2nd monthly installment within ten (10) days of the due date. Non-clients will receive reward by check.
